We found a problem!

We're sorry, Microsoft Office installer encountered a problem because you have these Click-to-Run installer based Office programs installed on your computer:

- Microsoft Office 365 ProPlus - en-us

Windows Installer and Click-to-Run editions of Office programs don't get along for this version, so you can only have one type installed at a time. Please try installing the Click-to-Run edition of Office instead, or uninstall your other Click-to-Run based Office programs and try this installation again.

OK

Microsoft Project Standard 2016

Choose the installation you want

Please choose your preferred type of Microsoft Project S installation below.
